SERIES 1 · Researcher Toolkit

Your APA 7th Proposal. 30 Seconds.

No templates. No manual formatting. Just one prompt in Claude Code.

Still formatting by hand?

⏰ Hours adjusting margins, fonts, heading levels

📖 Flipping through the APA manual for every citation

😤 Word formatting breaks overnight — again

🔄 Advisor changes topic → start from scratch

What if this time could go to actual research?

Meet
docx Skill

An official built-in Claude Code Skill. Generates perfectly formatted APA 7th Word documents — automatically.

📝 Create · Edit · Analyze Word documents

🎓 APA 7th, MLA, Chicago styles supported

⚡ One natural language prompt — done

Anthropic Official Skill · Built-in, no setup needed

1 One prompt is all you need

Claude Code

```
❯ claude

"Write a research proposal on
AI-assisted feedback in higher
education. APA 7th format.
Include title page, abstract,"
and references."

# Claude activates docx Skill automatically ...
```

💡 *Just describe what you need — no commands to memorize.*

2 Claude builds it all

Claude Code — generating proposal.docx

● Creating proposal.docx ...
